PUBLIC NOTICE

June 10th 2020

SHIFTING OF TESTING LABORATORIES FROM NAKAWA TO BWEYogerere

The Uganda National Bureau of Standards (UNBS) informs the public that effective Thursday 11th June, 2020, UNBS will not be receiving samples for testing at the Nakawa office.

This is to allow for preparations to shift the UNBS testing laboratories (Chemistry, Microbiology and Electrical laboratories) from Nakawa to the UNBS head offices in Bweyogerere, starting Friday 12th June 2020.

Effective Monday 22nd June 2020, UNBS shall only receive critical samples authorized in the fight against COVID-19 at the UNBS head offices in Bweyogerere.

The due date for official opening of the laboratories in Bweyogerere shall be communicated.

The Uganda National Bureau of Standards (UNBS) continues to perform its mandate of developing, promoting, and enforcing standards in protection of public health and safety, and the environment against dangerous and substandard products.
